

# A guide to creating powerful partnerships using **Owner Hub**

A better owner experience created by Property Meld's Owner Hub

## Owner Hub gives you:

Live updates on all maintenance items whether we're working on preventative repairs, turnovers, or renter-submitted items.

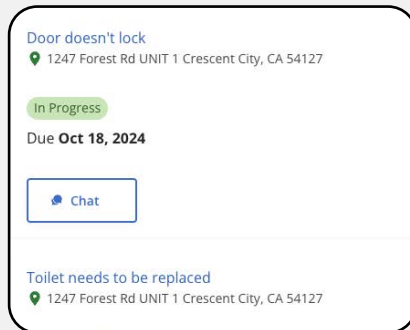

Top-tier communication tools that allow you to engage with us anytime you need. We want you to have insight into how we are caring for your assets.

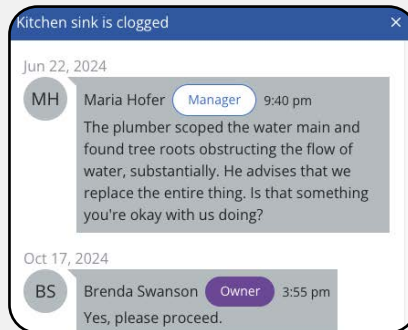

Sleek interface that is enjoyable to use and is key to managing maintenance at the lowest possible cost.

# Why our team uses Property Meld

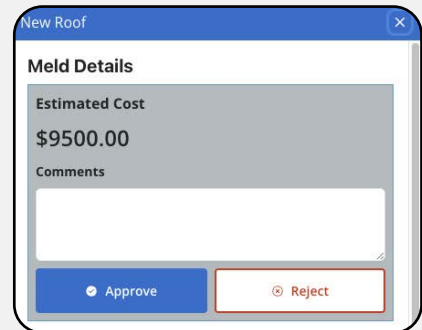

We know that owning a property can be stressful, and we don't want our only engagement with you to come after your monthly statement.
